Valuing Stock

The MSO credits a donor for a stock gift on the date of transfer. We value the gift according to the median price of the stock on the transfer date and the number of shares gifted. It is the MSO's policy to sell stock shares as soon as they are donated.

When transacting a gift of stock to the MSO, your name may not be included in the transfer. Please notify us in advance so that we may recognize you and thank you for your gift. Contact **Michael Rossetto**, Senior Director of Advancement & Major Gifts, at rossettom@mso.org or by phone at **414.226.7891**.
