## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Milwaukee Symphony Orchestra, Inc. and Subsidiaries

### **Report on the Audit of the Consolidated Financial Statements**

#### ***Opinion***

We have audited the accompanying consolidated financial statements of Milwaukee Symphony Orchestra, Inc. and Subsidiaries (a nonprofit organization), which comprise the consolidated statement of financial position as of August 31, 2024 and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Milwaukee Symphony Orchestra, Inc. and Subsidiaries (Organization) as of August 31, 2024 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Prior Period Financial Statements**

The consolidated financial statements of the Organization as of August 31, 2023 were audited by Sikich LLP, whose report dated November 30, 2023 expressed an unmodified opinion on those consolidated financial statements. Effective as of April 30, 2024, Sikich LLP reorganized and transferred its attest practice to Sikich CPA LLC, a Virginia limited liability company.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matters**

### *Report on Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and, except for that portion marked “unaudited,” was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

## **Other Information**

Management is responsible for the other information included in the annual report. The other information does not include the basic consolidated financial statements and our auditor’s report thereon. Our opinion on the basic consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

For the Years Ended August 31, 2024 and 2023

---

**1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Nature of Operations

Milwaukee Symphony Orchestra, Inc. and Subsidiaries (collectively the Organization) consists of not-for-profit and for-profit entities organized to maintain a symphony orchestra and to present orchestral performances in the City of Milwaukee and elsewhere in order to further the cultivation and appreciation of the art of music.

Principles of Consolidation

The accompanying consolidated financial statements of the Organization include the accounts of the Milwaukee Symphony Orchestra, Inc. (the Orchestra) and the Orchestra's wholly owned subsidiary: TNSH Manager, LLC (Manager) and Manager's subsidiaries: TNSH Landlord, LLC (Landlord) and TNSH Master Tenant, LLC (Tenant), which the Orchestra has both control and economic interest in. All significant inter-organizational transactions have been eliminated.

TNSH Manager, LLC, a Wisconsin limited liability company, is wholly owned by the Milwaukee Symphony Orchestra, Inc. and was formed to provide management services to Landlord and Tenant.

TNSH Landlord, LLC, a Wisconsin limited liability company, is owned 1% by the Orchestra and 99% by Manager and was formed to acquire, own and develop the new symphony hall, which serves as the performance venue and offices of the Orchestra.

TNSH Master Tenant, LLC, a Wisconsin limited liability company, pursuant to the new amended and restated operating agreement dated December 31, 2018, is owned 1% by Manager, general partner, and 99% by a third party, limited partner, and was formed to serve as sub-landlord of the Warner Grand Theatre.

The non-controlling interest represents the 99% limited-partner ownership by a third party in TNSH Master Tenant, LLC. This includes capital investment contributions, the proportionate share of income, gains and losses as well as distributions, if any.

Measure of Operations

Transactions deemed by management to be directly related to the programs of the Organization are reported as operating revenues and expenses. Nonoperating activities consist of pension related costs and the change in value of the beneficial interest in perpetual trusts.

**1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Method of Accounting

The accompanying consolidated financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). The Organization maintains its accounts in accordance with the principles and practices of fund accounting. Fund accounting is the procedure by which resources for various purposes are classified for accounting purposes in accordance with activities or objectives specified by donors. All interfund activity has been eliminated upon consolidation.

The consolidated financial statements focus on the Organization as a whole, and net assets, revenues, grants, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Without Donor Restrictions: Net assets available for use in general operations and are not subject to donor-imposed restrictions or Board-imposed stipulations.

With Donor Restrictions: Net assets subject to donor-imposed restrictions that either expire by passage of time, can be fulfilled and removed by actions of the Organization pursuant to those restrictions or are required to be held in perpetuity. Revenue that is restricted by the donor is reported as an increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Revenues are reported as increases in net assets without donor restrictions unless the use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets with donor restrictions. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications from net assets with donor restrictions to net assets without donor restrictions in the period in which the restriction has been met.

Use of Estimates

The preparation of consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Cash

Cash includes bank depository account balances and money market funds not held by external investment managers.

The Organization maintains its cash at one financial institution which, at times, may exceed federally insured limits. At August 31, 2024 and 2023, the balance of deposits exceeded FDIC limits by approximately \$3,193,000 and \$3,247,000, respectively. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on cash.

Accounts and Other Receivables

Accounts and other receivables consist of ticket receivables, employee receivables, and related party receivables.

Allowance for Credit Losses on Accounts and Other Receivables

The Organization recognizes an allowance for expected credit losses at each consolidated statement of financial position date. The allowance is an estimate based on the analysis of historical loss experience, current receivables aging, and management's assessment of current conditions and its reasonable and supportable expectation of future conditions. Receivables with similar risk characteristics are pooled for estimation of expected credit losses. At each reporting date, the Organization updates its estimation of expected credit losses to reflect any changes in credit risk since the receivable was initially recorded.

After all attempts to collect have failed, the receivable is written off against the allowance. If recoveries are made from accounts previously written off, they will be recognized as an offset to credit loss expense in the year of recovery. There were write-offs of \$393 and \$1,510 as of August 31, 2024 and 2023, respectively. An allowance for credit losses was not deemed necessary by management for August 31, 2024 and 2023. However, actual write-offs may occur.

Contributions Receivable

Contributions receivable due in less than one year are recorded at their net realizable value. Contributions receivable due in more than one year are discounted at a rate commensurate with the risk involved. Amortization of the discount is recorded as additional contribution revenue and used in accordance with donor-imposed restrictions, if any. Conditional contributions are recognized only when the conditions on which they depend are substantially met and the contribution becomes unconditional.

**1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Revenue Recognition

*Contributions*

Unconditional promises to give cash and other assets to the Organization are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is deemed unconditional. The gifts are reported as support with donor restrictions if they are received with donor stipulations that limit the time or use of the donated assets.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. There were no conditional contributions as of August 31, 2024 and 2023.

*Contributions In-Kind*

The Organization recognizes the fair value of contributed services received if such services create or enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not contributed.

Donated assets are recorded in the consolidated financial statements as assets or expenses and revenue at their estimated fair market value on the date the assets are contributed. The Organization's policy is to sell all donated securities as soon as administratively feasible after they are received.

Revenue from Contracts with Customers

*Performance Revenue*

Revenue from Orchestra performances consist of ticket sales, which are non-refundable. Payment for ticket sales are due at the time of purchase. All single tickets, subscriptions and sponsorships are paid in advance of the event. Performance obligations associated with the Orchestra performances are satisfied upon execution of the performance which is at a point in time. Advance sales are deferred until the execution of the associated performance and are included in the consolidated statements of financial position as deferred revenue.

**1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Revenue from Contracts with Customers (Continued)

*Special Event Revenue*

Special event revenue is made up of sponsorships and ticket sales. The portion that relates to the commensurate value the sponsor and attendee received in return is recognized when the related events are held, and performance obligations are met. The excess amount over commensurate value is considered a contribution and is recognized at the point in time when the related events are held.

*Contract Assets and Liabilities*

Contract liabilities consist of deferred performance revenue which consist of advance ticket sales and are liquidated when the performances are executed. Contract liabilities are included on the consolidated statements of financial position as deferred revenue. Contract liabilities were \$2,844,834, \$2,490,514, and \$1,983,049 for the years ended August 31, 2024, 2023, and 2022, respectively. Contract assets were \$95,496, \$197,447, and \$46,334 for the years ended August 31, 2024, 2023 and 2022, respectively

All revenue from contracts with customers are recognized at a point in time. There are no significant judgments in the recognition of revenue from contracts with customers. Various economic factors could affect the recognition of revenues and cash flows, including the demand for services, ability to provide services and availability of labor.

Furniture, Equipment, and Computer Hardware and Software

Fixed assets are stated at cost. The Organization capitalizes all assets greater than \$5,000. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets.

Leases

The Organization leases office space and a parking lot. The Organization determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets and operating lease liabilities on the consolidated statements of financial position.

ROU assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most leases do not provide an implicit rate, the Organization uses a risk-free rate based on the information available at the commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives.

**1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Leases (Continued)

The lease terms may include options to extend or terminate the lease when it is reasonably certain that such options will be exercised. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization has elected to apply the short-term lease exemption to two classes of underlying assets: music and rehearsal rentals. The short-term lease cost recognized and disclosed for those leases for the year ending August 31, 2024 and 2023 is approximately \$92,000 and \$69,000, respectively. There are no future payments due under the agreements for the fiscal year August 31, 2024.

The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

The Organization has lease agreements with lease and non-lease components, which are generally accounted for separately. For certain classes of leases, such as real estate, the Organization accounts for the lease and non-lease components as a single lease component. For arrangements accounted for as a single lease component, there may be variability in future lease payments as the amount of the non-lease components is typically revised from one period to the next. These variable lease payments, which are primarily comprised of common area maintenance and utilities that are passed on from the lessor in proportion to the space leased, are recognized in operating expenses in the period in which the obligation for those payments was incurred.

In evaluating contracts to determine if they qualify as a lease, the Organization considers factors such as if it has obtained substantially all of the rights to the underlying asset through exclusivity, if it can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Prepaid Expenses

Expenditures related to future performances, including direct response advertising costs and expenses related to telemarketing, are deferred and charged to expense in the fiscal year in which the related performances occur (which generally is the succeeding year). Prepaid advertising costs related to future performances were approximately \$360,000 and \$413,000 in 2024 and 2023, respectively.

Advertising Cost

Advertising expense for the years ended August 31, 2024 and 2023 was \$741,427 and \$820,350, respectively.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of functional expense. Expenses that can be identified with a specific program or supporting service are directly charged to the program or supporting service. Accordingly, certain costs which apply to more than one functional category have been allocated based on estimates made by management. Salaries and benefits and payroll taxes are allocated to the programs based on time and effort. Indirect administrative expenses such as printing and postage, office supplies, telephone and internet, and insurance are charged to the programs according to a cost allocation plan based on a percentage of total expenses. Depreciation and occupancy are allocated to the appropriate functional areas based on square footage.

Income Taxes

The Orchestra is a nonprofit corporation as described in Section 501(c)(3) of the Internal Revenue Code as other than a private foundation and is exempt from federal and state income taxes on related income pursuant to Section 501(a) of the code.

The Organization evaluates its uncertain tax positions on an annual basis, and there have been no recorded uncertain tax positions recorded in 2024 and 2023. Therefore, no provision or liability for income taxes has been included on the consolidated financial statements. The Organization files various federal or state non-profit tax returns. The Organization is no longer subject to U.S. federal or state examinations by tax authorities for tax years prior to 2020.

TNSH Landlord, LLC, TNSH Manager, LLC and TNSH Master Tenant, LLC were each formed as Limited Liability Companies (LLC). TNSH Landlord is treated as a partnership and TNSH Manager, LLC and TNSH Master Tenant, LLC are treated as corporations for income tax purposes. Under this election, profits and losses are passed directly to the members for inclusion in their income tax returns. The LLC's do not pay corporate income taxes on their income, although they may be subject to certain local taxes and other state fees. Accordingly, no liability or provision for federal or state income taxes is included in the accompanying consolidated financial statements. Management has evaluated the LLC's tax positions and concluded that no reserve for uncertain tax positions was considered necessary as any additional tax asset or liability is passed through to the members. The LLC's each file income tax returns in federal and state jurisdictions.

Concentration of Business Risks

For the years ended August 31, 2024 and 2023, approximately 47% and 51%, respectively, of the Orchestra's labor force is under collective bargaining agreements, whose contract ends on August 31, 2025.

New Accounting Pronouncements

In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard, disclosures are required to provide users of the consolidated financial statements with useful information in analyzing the entity's exposure to credit risk and measurement of credit losses. Financial assets held by the Organization that are subject to the guidance in FASB ASC 326 were accounts and other receivables. The Organization adopted the standard effect September 1, 2023. The impact of the adoption was not considered material to the consolidated financial statements and primarily resulted in new/enhanced disclosures only.

**2. LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure, that is without donor or other restrictions limiting their use, within one year of the consolidated statements of financial position date, comprise the following:

	<b>2024</b>	<b>2023</b>
Cash and cash restricted for capital projects	\$ 3,873,748	\$ 4,065,930
Accounts and other receivable	195,496	197,447

**2. LIQUIDITY AND AVAILABILITY (Continued)**

The Organization maintains financial assets, consisting of cash and short-term investments, on hand to meet its normal operating expenses based on its annual budget. Operating expenses are compared to budgeted expenses on a monthly basis and financial assets on hand are adjusted as necessary.

As of August 31, 2024, the Orchestra also has available a \$1,500,000 line of credit for operating expenses. See Note 7.

**3. CONTRIBUTIONS RECEIVABLE**

Contributions receivable consist primarily of pledges from private foundations, corporations, and individual donors. Net contributions receivable are summarized as follows:

	<b>2024</b>	<b>2023</b>
Total contributions receivable	\$ 5,270,403	\$ 7,004,318
Less: Allowance for doubtful contributions receivable	(35,000)	(35,000)
Net contributions receivable	5,235,403	6,969,318
Less: Adjustment to present value for future cash flows from contributions receivable	(308,302)	(398,994)
<b>PRESENT VALUE OF NET CONTRIBUTIONS RECEIVABLE</b>	<b>\$ 4,927,101</b>	<b>\$ 6,570,324</b>

The discount rate used to determine the present value of contributions receivable is a risk adjusted rate between 2.40% and 6.54%. The Orchestra wrote off uncollectible contributions of approximately \$209,000 and \$52,000 in 2024 and 2023, respectively.

Payments on contributions receivable as of August 31, 2024 are estimated to be received as follows:

2025	\$ 3,166,238
2026	549,550
2027	1,042,300
2028	217,300

**5. BENEFICIAL INTEREST IN NET ASSETS IN PERPETUAL TRUSTS**

Endowment Trust

The Milwaukee Symphony Orchestra Endowment Trust, fka Milwaukee Symphony Orchestra Foundation Trust (the Endowment) was established to hold and invest funds and to contribute the income for the benefit of the Orchestra while retaining the buying power of the principal. The board of trustees of the Endowment is independent of and separate from the board of directors of the Orchestra. The assets of the Endowment are invested in various securities.

The amount distributed to the Orchestra is based on the total return concept. Using this concept, the Endowment makes distributions based on a three-year average investment balance determined on a market value basis.

The specified distribution rate for 2024 and 2023 was 5% of this average. The amount distributed from the Endowment for 2024 and 2023 was \$1,198,365 and \$1,015,288, respectively, and is recorded separately in the accompanying consolidated statements of activities.

**5. BENEFICIAL INTEREST IN NET ASSETS IN PERPETUAL TRUSTS (Continued)**

Long-Term Fund

The Milwaukee Symphony Orchestra Long-Term Fund, fka Milwaukee Symphony Orchestra Endowment Trust (Long-Term Fund) was established for the sole purpose of providing support to the Orchestra. The board of trustees of the Long-Term Fund is independent of and separate from the board of directors of the Orchestra. The assets of the Long-Term Fund are invested in various securities. In accordance with the Long-Term Fund Indenture, the net assets without donor restrictions available for distribution to the Orchestra are at the sole and absolute discretion of the trustees of the Long-Term Fund. The Long-Term Fund made a discretionary distribution to the Orchestra of \$83,028 and \$82,028 during 2024 and 2023, respectively.

The Endowment and Long-Term Fund hold financial instruments which are carried at fair value in accordance with US GAAP, which establishes a hierarchy used to measure fair value (see Note 6).

The Orchestra has recognized its interest in the Endowment and Long-Term Fund based on the underlying net assets with donor restrictions of the trusts, as follows:

	<b>2024</b>	<b>2023</b>
Endowment net assets	\$ 30,833,538	\$ 24,335,100
Long-term fund net assets	2,056,176	1,883,416
<b>NET ASSETS RESTRICTED IN PERPETUITY</b>	<b>\$ 32,889,714</b>	<b>\$ 26,218,516</b>

Greater Milwaukee Foundation

The Orchestra is the sole income beneficiary of an agency endowment fund held by the Greater Milwaukee Foundation, a community foundation unrelated to the Orchestra. As of August 31, 2024 and 2023, the fair value of the net assets held by the Greater Milwaukee Foundation in the agency endowment fund has been reported by the Greater Milwaukee Foundation to be \$13,055,405 and \$11,031,975, respectively. Distribution of investment income to the Orchestra is made on a quarterly basis. The Orchestra's interest in the agency endowment fund at the Greater Milwaukee Foundation is not recognized on the Orchestra's consolidated financial statements because the board of directors of the Greater Milwaukee Foundation has variance power over substantially all of these assets.

The amount distributed from the assets held by the Greater Milwaukee Foundation for which the Orchestra is the designated beneficiary for the years ended August 31, 2024 and 2023 was \$303,436 and \$252,008, respectively, and is reported as a component of contribution revenue in the accompanying consolidated statements of activities.

**6. FAIR VALUE MEASUREMENTS**

US GAAP establishes a framework for measuring fair value. That framework uses a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. US GAAP requires the Organization to maximize the use of observable inputs when measuring fair value. The hierarchy describes three levels of inputs, which are as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Quoted prices for similar assets or liabilities in active markets; quotes prices for identical assets or liabilities in inactive markets; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Significant unobservable inputs

In many cases, a valuation technique used to measure fair value includes inputs from more than one level of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The categorization of an investment within the hierarchy reflects the relative ability to observe the fair value measure and does not necessarily correspond to the perceived risk of that investment.

If an investment that is measured using net asset value (NAV) has a readily determinable fair value (that is, it can be traded at the measurement date at its published NAV), it is included in Level 1 of the hierarchy. Otherwise, investments without readily determined fair values measured using NAVs are not included in Level 1, 2, or 3, but are separately reported.

The Organization recognizes transfers into and out of levels within the fair value hierarchy at the end of the reporting period. There were no transfers between levels in the years ended August 31, 2024 and 2023.

Valuation Techniques

Following is a description of the valuation techniques used for assets measured at fair value on a recurring basis. There have been no changes to the techniques used during the years ended August 31, 2024 and 2023.

*Beneficial Interest in Perpetual Trusts:* Valued using the fair value of the assets held in the trust reported by the trustee as of August 31, 2024 and 2023. The Organization considers the measurement of its beneficial interest in the perpetual charitable trusts to be Level 3 measurements within the hierarchy because even though that measurement is based on the unadjusted fair value of trust assets reported by the trustee, the Organization will never receive those assets or have the ability to direct the trustee to redeem them.

**7. BANK LINE OF CREDIT**

The Orchestra has a line of credit with a bank for borrowings up to \$1,500,000 secured by a general business security agreement. The agreement is due on demand. Interest is at the bank's prime rate (8.50% at August 31, 2024 and 2023, respectively) plus 0.25%. As of August 31, 2024 and 2023, the outstanding balance was \$1,350,000 and \$570,200, respectively. The agreement contains various reporting covenants. As of August 31, 2024, the Orchestra believes it is in compliance with these covenants.

**8. CONSTRUCTION LOAN AND NOTES PAYABLE**

*Construction Loan and Note Payable*

TNSH Landlord entered into a Construction Loan Agreement in the principal amount of \$30,000,000 secured by the new symphony hall. Semi-annual principal payments are due according to the payment schedule below. The note bears interest at 3.50% with interest payments due monthly and will mature on December 17, 2025. The outstanding balance on the note as of August 31, 2024 was \$3,393,692, net of unamortized loan acquisition costs of \$5,903. The outstanding balance as of August 31, 2023 was \$4,993,692, net of unamortized loan costs of \$10,963. The agreement contains various loan covenants. The Organization believes it is in compliance with these covenants as of August 31, 2024.

Future maturities of notes payable as of August 31, 2024 are as follows:

Donated legal fees	\$ 22,856	\$ 87,846
Other	207,003	283,608
<b>TOTAL IN-KIND CONTRIBUTIONS AND CONTRIBUTED SERVICES</b>	<b>\$ 229,859</b>	<b>\$ 371,454</b>

The Organization receives contributed services without donor restrictions in the form of legal services. The contributed services are monetized and reported using the billing rates and hours as provided by the individuals and third-party organizations providing those services. Legal fees are utilized in the management and general function.

The Organization receives contributions without donor restrictions in the form of discounts on services or assets purchased as well as donated materials and supplies. The donated materials and supplies are utilized and valued at the wholesale prices that would be received for selling similar products with any discount recognized as an in-kind contribution. The donated assets, materials and supplies are utilized in the Organization's program services and fundraising.

**12. COMMITMENTS**

Labor Agreement Commitment

The Orchestra entered into a four-year agreement with the Milwaukee Musician's Association Local #8 for the period from September 1, 2021 to August 31, 2024. During the year ending August 31, 2024, the agreement was extended to August 31, 2025 under similar terms. Under the terms of this agreement, the Orchestra is committed to pay base wages of approximately \$5,300,000 for the 2024-25 season.

Employment Agreements

The Orchestra has executed an employment agreement for the executive director to perform services including management of personnel, fund raising, growth, performance and operations as well as all other duties assigned by the Chair of the Board of Directors. The term of the contract runs for 6 years ending in 2027 with an aggregated commitment of approximately \$2,500,000 of which approximately \$1,154,000 is outstanding as of August 31, 2024, with approximately \$382,000 relating to the 2024-25 season.

As part of this agreement and included in the total commitment above, the key employee is eligible for a retention bonus. Each pay period the Orchestra will invest a percentage of the employee's base compensation. The employee will have the option of receiving a payout at the end of years 4 and 6. Should employment terminate prior to the end of either year, the employee terminates their eligibility to receive the funds.

The Orchestra has extended an employment agreement originally set to expire August 31, 2023 for the music director to perform services for the Orchestra. The term of the contract extension extends the agreement to August 31, 2026 and has an aggregated commitment of approximately \$1,003,000 of which approximately \$675,000 is outstanding as of August 31, 2024 with approximately \$334,000 relating to the 2025-25 season.

Levy Food Service Commitment

The Orchestra has executed an agreement with Levy Premium Food Service Limited Partnership for the operations of the food and beverage concessions and catering services at the Bradley Symphony Center. The Term of the contract runs ten years (through fiscal year 2027) from the date of the first ticketed event. The aggregate commitment is approximately \$750,000 of which approximately \$225,000 is outstanding as of August 31, 2024, with approximately \$125,000 relating to the 2024-25 season.

**13. RETIREMENT PLANS**

Pension Plans

The Orchestra has separate noncontributory defined benefit pension plans for musicians and administrative staff (Pension Plans). Both plans provide for monthly pension benefits per participant of \$52 for each year of service and 100% vesting after five years of service. The Orchestra's funding policy is to contribute annually the minimum amount required under the Employee Retirement Income Security Act of 1974 (ERISA) or more. Plan assets are invested in a group annuity contract which invests primarily in U.S. government securities, money market funds, and marketable equity securities.

The musicians' and administrative staff's defined benefit pension plans are frozen; therefore, no new participants have been admitted to the plans, no additional years of service have been credited to any participant, no further benefits have been accrued, and each participant's accrued benefit is considered fully vested and non-forfeitable. All retirement benefits earned under the plan through August 31, 1996 for the musicians' plan and August 31, 1999 for the administrative staff's plan are payable to participants upon retirement.

The Orchestra is obligated to make additional contributions for both Defined Benefit Pension Plans in future years, if necessary, to meet ERISA funding requirements.

<b>TOTAL OTHER PENSION RELATED COSTS</b>	<b>\$ (938,673)</b>	<b>\$ (74,453)</b>	<b>\$ (1,013,126)</b>

As of August 31, 2024, the actuarial loss for the plan was \$2,906,484 of which \$124,967 is expected to be amortized in the following fiscal year. As of August 31, 2023, the actuarial loss for the plan was \$3,131,708 of which \$96,295 is expected to be amortized in the following fiscal year.

The expected long-term rate of return on the Pension Plans' assets was 5.25% for the musician's plan and the staff's plan for 2024 and 2023. Current market factors such as inflation and interest rates, as well as peer data and historical returns, are considered when determining the long-term rate of return.

All of the Pension Plans' assets, which consists of a group annuity contract, are considered to be Level 2 investments in accordance with the fair value hierarchy. Level 2 assets are traded in less active dealer or broker markets in which valuations are obtained from third party pricing services for identical or similar assets.

Pension Plans (Continued)

The Orchestra employs a total return on investment approach whereby a mix of equities and fixed income investments are utilized to maximize the long-term rate of return on the Pension Plans' assets for a given level of risk. Risk tolerance is established through consideration of the Pension Plans' liabilities and funded status.

The investment vehicle used is a group annuity contract, which has a portfolio containing a diversified blend of equity and fixed income investments. The Orchestra determines the asset allocation for the asset classes based upon periodic asset/liability reviews and capital market projections.

The Orchestra expects to make a minimum contribution to the musicians' plan of approximately \$181,000 and to the staff's plan of \$209,000 during 2024.

The following table sets forth the Pension Plans' estimated future benefit payments expected to be paid in each of the next five fiscal years, and in the aggregate for the five fiscal years thereafter:

<u>Fiscal Year</u>	<u>Musicians</u>	<u>Staff</u>
2025	\$ 823,000	\$ 132,000
2026	812,000	130,000
2027	780,000	137,000
2028	748,000	135,000
2029	713,000	132,000
2030-2034	3,033,000	638,000

Defined Contribution Plan

The Orchestra has a defined contribution plan for all full-time administrative employees. Employees are eligible to participate in the plan upon attaining age 21, having worked 1,000 hours, and having completed one full year of employment. The Orchestra matches 50% of employee contributions up to 6%. The Orchestra made contributions of \$112,266 and \$87,593 to the plan for the years ended August 31, 2024 and 2023, respectively.

Multi-Employer Pension Plan

The contract with the musicians' union also requires that contributions be made to the American Federation of Musicians and Employers' Pension Plan for services rendered by musicians after August 31, 1996. The Pension Plan is a multi-employer pension plan for musicians under union contracts. The plan is administered independently, and contributions are determined in accordance with the provisions of the musicians' labor contract.

**13. RETIREMENT PLANS (Continued)**

Multi-Employer Pension Plan (Continued)

The Orchestra contributes to the American Federation of Musicians and Employers' union sponsored multiemployer defined benefit pension plan under a collective bargaining agreement. The risk of participating in a multiemployer plan differs from those of single-employer plan in the following aspects:

- Assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- If a participating employer stops contributing to the plan, then the unfunded obligations of the plan may be borne by the remaining participating employers.
- If the Orchestra chooses to stop participating in the multiemployer plan, then it may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Contributions are determined in accordance with the provisions of negotiated labor contracts and are based upon the number of hours worked by each eligible employee. During the years ended August 31, 2024 and 2023, the Orchestra contributed 7.63% of the musicians' salaries. Information from the plans' administrators is not available to permit the Orchestra to determine its share of unfunded vested benefits, if any. Management does not intend to take any action which would subject it to such a liability.

The Orchestra's participation in these plans for the years ended August 31, 2024 and 2023, is outlined in the table below. The EIN/Plan Number provides the EIN and the three-digit plan number, if applicable. Unless otherwise noted, the most recent Pension Protection Act (PPA) zone status available in 2024 and 2023 is for the plan's year beginning during 2023 and 2022. The zone status is based on information that the Organization obtained from the plans. Among other factors, plans in the red zone are less than 65% funded, plans in the yellow zone are between 65-80% funded, and plans in the green zone are more than 80% funded. The FIP/RP Status Pending/Implemented indicates plans for which a financial improvement plan (FIP) or rehabilitation plan (RP) is either pending or has been implemented. The last line lists the expiration dates of the collective bargaining agreements to which the plans are subject.

There have been no significant changes that affect the comparability of the 2024 and 2023 contributions.

While the status is listed as red, meaning the funded status is less than 65%, the actual funded percentage is greater than 80%. However, the Plan is considered in critical status because the Plan's actuary determined that the Plan is projected to have an accumulated funding deficiency over the next five years. In an effort to improve the Plan's funding situation, the Plan's Board of Trustees adopted a rehabilitation plan on April 15, 2010, which was intended to help the Plan improve its funded status through various benefit reductions and employer contribution increases. In addition, on May 18, 2011, the Plan's Board of Trustees amended the rehabilitation plan to change the maximum term from four years to five years for which pension contributions may be established under any collective bargaining agreement entered into on or after May 1, 2010. The Plan's Board of Trustees amended the rehabilitation plan again on February 12, 2015, to provide that if a collective bargaining agreement expires while the Plan is still in critical status and the bargaining parties fail to adopt a contribution schedule within 180 days of that expiration then the contribution schedule under the expired collective bargaining agreement is re-implemented. The duration of the rehabilitation plan is indefinite, and the Plan is not expected to emerge from critical status during the 10-year rehabilitation plan period that began April 1, 2013. Under the rehabilitation plan, the Plan is not permitted to pay lump sum benefits while it is in critical status. The employer surcharge is equal to a percentage of the amount an employer is otherwise required to contribute to the Plan. For the Plan year beginning April 1, 2011, the surcharge was 10% and remains applicable for each year the Plan is in critical status. In June 2018, the rehabilitation plan was modified to require a 10% increase in the rate of contributions to the plan that must be included in any collective bargaining agreements starting August 1, 2018 or later.

**14. RELATED PARTY TRANSACTIONS**

**14. RELATED PARTY TRANSACTIONS (Continued)**

Members of the Orchestra's board of directors serve in management roles of corporations that provide goods and services to the Orchestra, causing these corporations to be related parties. The Orchestra received contributions to support general operations of approximately \$4,500,000 and \$5,500,000 during 2024 and 2023, respectively, from these corporations and members of the board of directors. There were outstanding pledges receivable of approximately \$26,000 and \$68,000 as of August 31, 2024 and 2023, respectively, from board members of the Orchestra.

Significant purchases of goods and services from related parties are reviewed to ensure such transactions are competitively priced as compared with other goods and services available in the market. There were no purchased services received during 2024 and 2023. During 2024 and 2023, the Orchestra also received approximately \$23,000 and \$88,000, respectively, of legal services as in-kind donations from two members of the board.

The Orchestra is a party in Milwaukee Arts Partners (MAP), a joint venture with First Stage Children's Theater, Skylight Music Theater, Sharon Lynne Center for the Arts, the Milwaukee Ballet, and Milwaukee Repertory Theater. The primary focus of MAP is to manage and operate the ticketing software, Tessitura, used by all six entities. All revenue and expenses incurred during the years ended August 31, 2024 and 2023 by the Orchestra, which were directly attributable to MAP, were recorded in MAP's financial statements and not recorded within MSO's consolidated financial statements. There were no accounts receivable from the joint venture as of August 31, 2024. Accounts receivable from the joint venture was approximately \$19,000 as of August 31, 2023.

**15. SUBSEQUENT EVENTS**

Subsequent events are events or transactions that occur after the date of the consolidated statements of financial position, but before the consolidated financial statements are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including estimates inherent in the process of preparing financial statements (this is recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (this is, non-recognized subsequent events).

The Organization has evaluated subsequent events through December 3, 2024, the date on which the consolidated financial statements were available to be issued and noted no additional items requiring disclosure.
