

Wicked Good Music

Social Narrative

Welcome to the Milwaukee Symphony Orchestra
Wicked Good Music Concert!

Before the concert begins, I will find my seat with my school in Allen-Bradley Hall!

Assistant Conductor Ryan Tani will be our maestro
for today's performance.

Malina Zhang will be our soloist for today's performance.

The sounds the orchestra makes will sometimes be loud.

Even though the sounds can be loud and can feel scary, **none of the noises can hurt me.**

If I need to take a break, I can leave with a chaperone and come back when I'm ready.

When the performance is over, I can use the ASL sign for applause or clap to thank the conductor and the musicians.

I will wait in my seat until it is time for my group to return to school.

When I get home, I can share what I heard and saw at the symphony with my friends and family.

The Milwaukee Symphony Orchestra musicians and staff are so happy you came to the performance today. They look forward to seeing you again!
